

## **Have you thought of recruiting new, local talent to your business?**

**Do you need someone to take away the hassle of advertising, recruiting to and appointing the right person for your business?**

## **Would a £3000pp grant be a big help to you?**

**Would the support of our friendly, knowledgeable recruitment advisers, paired with dedicated 1-2-1 guidance officer support for your new employee, be a big help to you?**

**Can we help you identify training needs and source local training providers for your new employees?**

**If you answered yes to any of the above, then we're sure we can help you!**

**If you would like to register your interest, please take a minute to complete our online form using the link below **
